

# 2011 Foundry Artists Holiday Show

## December 1-4 & 9-11

### Artist Application

*Welcome to the Foundry Show.* We are a unique group of artists that self-produces an annual 7 day holiday sale that runs over the course of two weeks each December. To accomplish this membership participates in the creation and running of the show by doing committee work and working hours during the show. We invite you to apply and join the Foundry Artists Association.

**Mission:** The Foundry Artists' Association represents the artist/artisan who creates work or directly supervises work within their own studio. We seek the best creative voices in order to form a fine art and fine craft show that highlights the distinctive, original vision of the individual artist.
